Calling All Businesses & Service Organizations!

Help Raise Funds To Benefit Children With Autism

Be a part of the Coins For Kids Project and you will help a child with autism receive much-needed tests, treatments and therapies! The funds raised will benefit the Beyond the Limits Monetary Grant Program and will help families, who have children with autism, defray the costs of medical tests and treatments and therapies. Won't you join in and help with this worthy cause?

Here Is How It Works

If you would like your business or service organization to become involved in collecting Coins For Kids, notify Beyond the Limits by email at Jamie@autismresourceconnection.com or call 615-870-7842. A registration form will be mailed to you. Once it has been received in our office, a collection box and promotional flyers will be provided to you. Quarterly donation pickups will be scheduled thereafter.
